

Urine Rescue (B114)

Peroxide based spotter

FOR PROFESSIONAL USE ONLY

Treats the toughest urine stains and odor with no added fragrance

APPLICATION: Spotter

DESCRIPTION

Urine Rescue rescues you from the toughest urine stains with the power of hydrogen peroxide. Use on colorfast carpet and upholstery. Neutralizes urine odor while cleaning. Use to neutralize alkaline salts and other chemicals in urine such as hormones and carbohydrates. Urine Rescue modifies and deactivates odor and stain-causing soils using a potent blend of color-safe oxidizers, surfactants and detergents. Decontaminates and eliminates urine, feces, vomit and trauma scene remediation-related odors and stains. This convenient, ready-to-use product has no added fragrance and is recommended for use on synthetic carpet fibers and other water-cleanable colorfast fabrics and a variety of hard surfaces.

FEATURES

- Treats the toughest urine stains
- Use on carpet and upholstery
- Safe on stain-resistant carpets
- Neutralizes odors
- No added fragrance

WHERE TO USE

Use in homes or apartments to remediate urine stains from pet or human accidents

USE DILUTION: Ready to use – no dilution necessary.

USE DIRECTIONS:

1. Clean and rinse-extract urine residues completely prior to using this product.
2. Apply Urine Rescue full strength directly to stain.
3. Allow 2 to 6 hours dwell time for full stain removal. Keep people and pets off treated area during this time.
4. Flush rinse with clear water, or dry vacuum after the treated area is completely dry.
5. Repeat as necessary on difficult stains.

USAGE TIPS:

NOTE: Some stains are permanent. No product can remove all stains.

- Wear protective gloves and glasses. Prevent accidental contact with treated areas. Skin burns can occur.
- The active hydrogen peroxide in Urine Rescue breaks down harmlessly into water and oxygen once dry. If opening area to human or pet traffic before it is dry, rinse-extract with clear water to neutralize the hydrogen peroxide reaction. This will prevent skin burns.
- Test for colorfastness in an inconspicuous area before use. Can bleach some fabrics, use with caution.
